

I am so thankful to be a part of the Crystal Springs chapter. I am the first Corresponding Secretary and Web mistress.

I joined IAAP at the suggestion of a co-worker. The secretarial/administrative profession is my chosen career path, and I wanted to stay connected with like-minded administrative professionals. I also have a strong desire to become certified in my profession, and IAAP offers everything I need to do just that.

I appreciate the network of support that I can rely on for vital information.
